Berlin, 24/11/11

Dear Dr. Dinko Mitrecic,

Thank you for applying to the Federation of European Neuroscience Societies (FENS)-Society for Neuroscience (SfN) Advocacy Grants programme 2011.

On behalf of FENS and SfN we are pleased to inform you that your application to the advocacy grant programme has been approved and you have been awarded the requested amount of 5000 Euro. You will receive the grant money by bank transfer to your society's bank account. So, please send to the FENS Berlin office ([britta.morich@fens.org](mailto:britta.morich@fens.org)) the account and IBAN number including city and zip code of the bank account of your society. Please note that you should submit a one page mid-term report on the progress of your project by June 30, 2012 to be sent to the FENS Berlin office and that your project has to be completed by the end of 2012, at which point you will have to submit a final report.

We would further like to inform you that there will be another call for applications in June 2012. You could consider applying again. However, please take into account that applications from societies that have already been funded will have a lower priority among the applications.

On behalf of FENS  
Fotini Stylianopoulou  
FENS Secretary General

On behalf of SfN
